Product description:

A climbing set START is meant for children at the age of 4-8 years and is intended to develop child’s active physical skills. The set includes a 1.5 m wide climbing net (POLYFIX), a strong metal pipe (diam.60x4) with climbing rope and some cord trapezes. The set is attached to laminated timber posts which are fixed to the ground with metal ground fastenings by concreting. Recommended surface for the safety area: sand or rubber tiles.
